

RETRACTABLE CANOPY

A unique alternative to the traditional patio cover!

Retractable Canopies are versatile shading structures that are motorized or manually operated, with a host of fabric choices that match your home's décor to create a comfortable outdoor space! These unique structures can be installed freestanding or mounted to a home, pool house or other outdoor structure.

Ideal to cover verandas, terraces and roof gardens or add shade around your pool, your retractable canopy will provide the atmosphere you need for relaxing and entertaining.

Our canopy provides perfect shelter for outdoor cafes with sidewalk seating, swim clubs and many commercial applications.

Add shade and shelter to pergolas with a retractable canopy

Canopies can be custom sized and mounted directly to the rafters of any size existing pergola to provide shade!
